The Services include one free subscription to Bloomberg Magazine for each user of the BLOOMBERG PROFESSIONAL service. All upgrades, relocations, conversions, equipment modifications and other changes requested by Lessee related to the Services will automatically be charged at Lessor's prevailing rates and Lessee will be invoiced accordingly. If local dedicated circuits for network access are provided by Lessor to Lessee, the charges for such dedicated local circuits are not guaranteed for the term of the Agreement. Increases and/or discounts to such charges may be made on sixty days written notice and customer relocations may result in immediate price adjustments for such local circuits.

**1. INSTALLATION OF TERMINAL(S); OTHER EQUIPMENT**

Pursuant to the Agreement, Lessee has requested Lessor to provide the Services at the stated equipment address (as noted on the face of this Schedule). The Services may also include the receipt of Bloomberg-distributed television program(s). In such event, Lessor will install, at its expense, the satellite dish and receiver at Lessee's office necessary to receive the program(s). Lessee shall bear the cost of cabling from the Equipment to the satellite dish and if necessary other related equipment and shall be responsible for obtaining the necessary authorizations, space, roof rights and rights-of-way for proper installation of the satellite dish, receiver, cabling and related hardware. The program(s) shall be displayed by Lessee on such Equipment receiving the Services. This process and cabling must be completed at, or prior to contract renewal(s), new installation(s) and/or relocation(s).

**2. TERMS & CHARGES**

The initial Term (as defined in the Agreement) is from the first day Services are provided to the **second** anniversary of that date. The Term for any additional Services shall commence on the first day such additional Services are provided. The fee commences the day following actual installation and shall be invoiced quarterly in advance. To the extent permitted by law, Lessor may send and Lessee agrees to receive invoices via email. Charges for installation, relocation, removal or other changes to the Equipment shall be payable upon presentation of an invoice therefor. Any fee increase of which Lessee is notified in accordance with the Agreement will take effect as specified notwithstanding the issuance of a Schedule setting forth the then current fee.

**3. BLOOMBERG II or BLOOMBERG IV/FLAT PANEL**

In the event that this Schedule provides, or may from time to time provide, for one or more BLOOMBERG II, BLOOMBERG IV or Flat Panel screens, the Lessee agrees not to separate, unbolt, move, modify, interface, duplicate, redistribute or otherwise disconnect any one, both, or four of the BLOOMBERG II, BLOOMBERG IV or Flat Panel screens, or use any one, both or four of the screens in a manner inconsistent with the terms of this Agreement, without Lessor's prior written consent. Unauthorized access or use is unlawful and Lessor shall have all recourse and rights as set forth in the Agreement. The lease term for the BLOOMBERG II, BLOOMBERG IV or Flat Panel shall be the same as that of the specific BLOOMBERG PROFESSIONAL to which it is attached. The Lessee's fee applicable to the double screen shall commence on the date following actual installation.

**4. SHARED NETWORK: MULTIPLE TERMINALS**

In the event that this Schedule provides, or may from time to time provide, for a fee for Services calculated on the basis of a shared local network at the same physical location or multiple terminals, then at such time as the network is no longer shared, or multiple terminals are no longer leased, the fee for Services shall be increased to the prevailing rate for Services provided on an unshared or single terminal basis.

**5. RECEIPT OF THE SERVICES VIA LESSEE'S AUTHORIZED EQUIPMENT (IF APPLICABLE)**

- (a) The Services shall be made available to Lessee by means of the authorized equipment set forth on the face of this Schedule or the Authorized Computers as set forth in the Datafeed Addendum (the "Authorized Equipment"). Lessee agrees that it will access the Services only through such Authorized Equipment. In no event will Lessee recirculate, redistribute or otherwise retransmit or re-route the Services to any other equipment or display or permit the use of any information included in the Services on any other equipment or display device.
- (b) Lessor shall have the right at any time, or from time to time, to change the technical specifications of any aspect of the Services and, in such event, Lessee shall take all reasonable steps, at its expense, to modify, reconfigure, upgrade or replace the Authorized Equipment in order to maintain compatibility, functionality, quality, speed and convenience of the Services.
- (c) Lessor shall have no responsibility for installing, labeling, testing, maintaining, relocating or removing the Authorized Equipment, or for training or providing support documentation to Lessee's employees in the use of the Authorized Equipment. All cabling, connections and any interface (including hardware, software, network or otherwise) between Authorized Equipment and Lessor's Equipment are the responsibility of Lessee. NOTWITHSTANDING THE ABOVE, LESSOR SHALL HAVE ALL RIGHTS WITH RESPECT TO THE AUTHORIZED EQUIPMENT, INCLUDING, BUT NOT LIMITED TO ACCESS, AND LESSEE SHALL HAVE ALL OBLIGATIONS AND RESPONSIBILITIES WITH RESPECT THERETO, AS ARE STATED IN THE AGREEMENT WITH RESPECT TO EQUIPMENT GENERALLY. In addition, Lessor shall have the right to participate in the provision of training and the preparation of support documentation relating to the use of the Services by means of the Authorized Equipment, although Lessor shall have no obligation in this regard.
- (d) In addition to those limitations on liability contained in the Agreement, Lessor, its officers, employees, suppliers and third-party agents, shall have no responsibility or liability, contingent or otherwise, for any injury or damages, whether caused by the negligence of Lessor, its employees, sub-contractors, agents, equipment vendors or otherwise, arising in connection with the use, installation, or provision of the Services by means of the Authorized Equipment and shall not be liable for any lost profits, punitive, incidental or consequential damages or any claim against Lessee by any other party with respect thereto. Lessee agrees that Lessor is not responsible for any fault, inaccuracy, omission, delay or any other failure in the Services caused by Lessee's hardware, software, cabling, network services, or arising from Lessee's use of the Services on such equipment.

**6. THE BLOOMBERG TRAVELER (IF APPLICABLE)**

- (a) THE BLOOMBERG TRAVELER: (i) must be associated with a specific BLOOMBERG PROFESSIONAL service license leased by Lessee; (ii) will not be used for an extended period of time in a time zone different than that of its associated BLOOMBERG PROFESSIONAL service license; (iii) will disenable the associated terminal for a certain period of time; and (iv) is leased and may be terminated upon 30 days' prior written notice to Lessor. Lessee will incur a connection fee for any relocation of Lessor-provided software or Services.
- (b) Lessee-provided hardware and software must meet all technical specifications provided by Lessor. Lessee accepts responsibility for properly loading, maintaining and upgrading THE BLOOMBERG TRAVELER software on Lessee-provided hardware, in accordance with Lessor's instructions and procedures. The software is furnished under the Agreement and may be used only in accordance with the terms of such Agreement. Except as provided in the Agreement, the software may not be: (i) copied, broadcasted, reproduced, ported or otherwise routed to or used in any fashion on any non-authorized computer or display or in any other application; (ii) recompiled, decompiled, disassembled, reverse engineered, made into or distributed in any form of derivative work; (iii) modified, adapted, translated, rented, leased, loaned, resold, distributed or, except as provided in the Agreement, networked in whole or in part; or (iv) used with any other terminal, network, or device except as permitted by this Agreement. LESSOR MAKES NO WARRANTY OF ANY KIND WITH REGARD TO THE SOFTWARE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Lessor shall not be liable for errors contained in the software or for indirect, incidental, consequential or special damages in connection with the furnishing, performance or use of the software.
